RISK MANAGEMENT

PROTECT YOUR PEOPLE. PROTECT YOUR BOTTOM LINE.

BUSINESS INSURERS OF GEORGIA

OFFERING INDUSTRY-WIDE RISK MANAGEMENT BUILT ON SAFETY, PREVENTION, AND QUICK, COST-EFFICIENT CLAIMS RESOLUTION.

Core Practices

Our standard practices support clients throughout the claims process, minimize costs, and help prevent future incidents. Services in our program include:

- Dedicated account managers and adjusters
- Senior Risk Management & Claims Professionals
- In-house legal expertise
- Monthly claims reporting
- Claims reviews upon request
- Biannual stewardship communications

On-Site Risk Consultant Visits

Boost workplace safety with BIofGA—at no extra cost. Our risk consultants deliver on-site audits and provide actionable reports. Follow-up checks keep improvements on track. Plus, HR visits support onboarding and process excellence.

Return To Work Program

Through our partner, **Sheakley**, BIofGA helps injured employees return to work sooner, reducing the cost and duration of lost-time incidents. By keeping employees on regular wages instead of disability payments, indemnity costs stay lower—helping protect your experience mod and control workers' comp premiums.

Risk Management Center

Clients receive complimentary access to our carrier's **Risk Management Center**—a robust resource library with presentations, posters, online classes, quizzes, and state-specific training. This platform supports safety meetings, onboarding, and ongoing compliance, and includes tools for incident tracking, job description creation, safety observations, and both self-paced and instructor-led training.

Client Benefits

- **Reduced Claims Costs**: Proactive management and expert advocacy help close claims quickly and cost-effectively.
- **Enhanced Workplace Safety**: Access to comprehensive training resources and on-site audits reduces the risk of accidents.
- **Regulatory Compliance:** Ongoing support and reporting keep your organization aligned with industry standards.
- **Personalized Support**: Dedicated account managers and legal experts provide tailored guidance for your unique needs.

Ready to strengthen your organization's risk management?

Contact BIofGA today to discover how our solutions can protect your workforce and drive operational excellence.
